

# Reach Out and Read New Site Application Process

## Submit Site Application

Complete the application on myROR.org, **completing questions, adding contacts, and uploading w-9 form and letter of support.**

## Applications Reviewed

Applications are reviewed by the National Office **the second Monday of each month**, and are checked for completion, demonstration of funding for the first year, and commitment to program fidelity.

## Approved - Needs Training

Once Approved to Train, you will receive notification, and then can add providers to myROR, and **have them take the online CME-accredited training on myROR.org.**

## Active

Once 75% of providers complete the training, **your site is moved to Active during the next month's start-up process.** Sites are then given account numbers with Scholastic and All About Books, and are then able to start ordering books and implementing Reach Out and Read.
